

Aspect Corporate ClassPass Program

Knowledge is power. Get both with the Aspect Corporate ClassPass Program!

Success always involves employee training. New hire training. Ongoing training. Team training. And success means watching the bottom line. That's why Aspect Communications has introduced the Corporate ClassPass Program.

Designed exclusively for you—our Aspect customers and partners—the Corporate ClassPass Program offers you the highest value pricing for Aspect instructor-led training. The result? Knowledge and power at huge cost savings!

How the Program Works

First, decide which Aspect Education course offerings your employees need. Next, purchase the appropriate number of ClassPass seats, which come in denominations of 50, 100, or 200 to accommodate the quantity of students and training days you require. Each seat is valid for one day of instructor-led training at any Aspect Training Center.

Big Success—and Big Savings

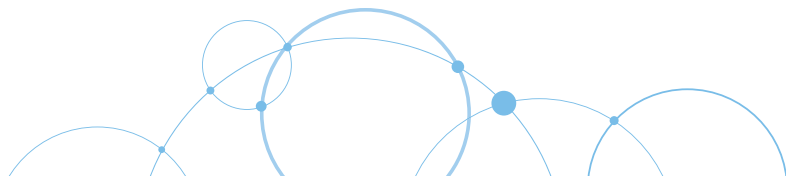

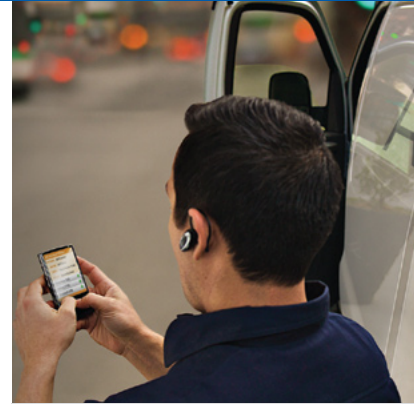

Participation in the ClassPass Program will provide significant cost savings for your company—up to 30% savings with a book of 200 seats! Our standard rate is \$650 per day of training, but look at the difference it makes using the Corporate ClassPass Program:

- 50 day ClassPass costs \$29,250—or \$585 per day
Total cost savings = \$3,250
- 100 day ClassPass costs \$52,000—or \$520 per day
Total cost savings = \$13,000
- 200 day ClassPass costs \$91,000—or \$455 per day
Total cost savings = \$39,000
